| Report Title | Performance Monitoring – 2021/22 Quarter 3 | | | | | | | |
| Cabinet Member | Cllr Roger Truelove, Leader and Cabinet Member for Finance | | | | | | | |

| Lead Officer | Tony Potter, Policy and Performance Support Officer | | | | | | | |

1 Purpose of Report and Executive Summary

- 1.1 This report presents the quarterly performance management report for the third quarter of 2021/2022 (October December 2021), details as previously reported to CLT on 1 February 2022 and informal Cabinet on 14 February 2022 (attached as Appendix I).
- 1.2 Members will note the format of the report presented to CLT has been simplified but has the same content and detail as previous reports presented to Scrutiny Members, except for the Planning Performance Designation section which had been removed.
- 1.3 Planning Performance Designation was added to the original report in 2013. It was introduced as measure to manage authorities' underperformance in the quality and timeliness of decision making on Major (and later Non-Major) planning applications. Swale has consistently performed a minimum 40% above all designation target levels since 2013, so it was removed from the report but would be reinstated should performance deteriorate towards designation target levels.
- 1.4 At the informal Cabinet meeting on 14 February, Cabinet Members asked that the Planning Designation section of the report continues to appear in their report so this will also be reinstated for future performance reports to Scrutiny.

2 Background

2.1 This report's detail follows previous performance reports for the current financial year.

| This month / qtr | Last month/ qtr | Ref | Description | YTD | 2021-22 target |
|------------------------|-----------------------|-------------------|---|-----|-------------------|
| | | LI/DC/DC E/007 | Planning Enforcement - Informing complainant within 21 days | 60% | 95% |

Recent performance has been affected by illness in the small team with two members off sick each for over a week, another off sick for a couple of days ,whilst another had a period of self-isolating. On a positive note, we have recently managed to recruit to two vacant posts, however both have no direct experience and therefore require a period of training so that we can see performance meeting targets in the new financial year.

| | LI/LS/LC | Percentage of all Local Land Searches | 89.2% | 95% |
|--|----------|---------------------------------------|-------|-----|
| | C01 | completed in 5 working days | | |

Maintaining land charges performance has been challenging given the staffing issues being experienced within the small Land Charges Team. Two posts are currently being advertised and it is hoped that we may be in a position to see new staff in place by early March and performance meeting targets for the new financial year. It should be noted that 100% of land charge requests were handled within ten working days.

| | LI/HS/01 | Number of long-term empty homes | 41 | 65 ytd |
|--|----------|---------------------------------|----|--------|
| | | brought back into use | | |

Delays in probate, conveyancing and difficulties with materials and contractors. Officer who dealt with empties left employment with SBC at the end of Quarter 3 and we are looking to replace as soon as possible.

| | LI/EH/001 | Percentage of Planning consultations responded to in 21 days | 85% | 90% |
|--|-----------|--|-----|-----|
| | | , , | | |

Q3 presented EP with several large and complex/technical planning applications that required extended consultations between consultation/liaison with planning officers, consultants, agents etc. It is often not possible to finalise the consultation responses for these larger developments within the 21 days.

| | Food Hygiene – The percentage of food | 60% | 90% |
|--|---------------------------------------|-----|-----|
| | inspections completed that were due. | | |

Inspection priority for Q3 has been achieved, including more than 80 inspections of new food businesses. Priority for Q4 will focus on new and high-risk food businesses. The impact of the pandemic on local food businesses is reflected in both our capacity to undertake inspections when due (sickness absence of key staff in Q3) and business closure during lockdown in the first two guarters of 2021.
