The Licensing Act 2003 Act requires the Council to publish a 'Statement of Licensing Policy' that sets out the policies the Council will general apply to promote the licensing objectives when making decision on applications made under the Act. The Policy will be available at the meeting for reference purposes.

Under the 2003 Act, it is the duty of all licensing authorities that, in carrying out their functions, they must have regard to guidance issued by the Secretary of State under section 182. The Guidance cannot anticipate every possible scenario or set of circumstances that may arise. Provided that the licensing authority has properly understood and considered the Guidance, it may depart from it when it has reason to do so. However, as the licensing authority is under a duty to have regard to the Guidance, it will need to give full reasons for its departure from it. This would be a key consideration for the courts should departure from the Guidance result in a determination which gives rise to an appeal or judicial review. Should the need arise the Guidance will be available at the meeting for reference purposes.

The Licensing Authority must, under the Act refer any application for hearing to the Licensing Panel, if relevant representations are made by a responsible authority or other person. A copy of the Council's approved procedure for hearings of the Panel in relation to an application, along with a copy of the Hearings Regulations has been circulated to all parties prior to the meeting.
