To Whom it may concern Re: Sale of Alcoholic Products 87a North Street

We STRONGLY object to this new application regarding the above, especially the Sunday hours proposed of 0700-2200. Our lives are already made a misery by the problems associated with this shop. Namely groups of youths congregating directly outside the shop at all hours, drinking cans of strong lager, using foul language, fighting and shouting, disturbing our neighbours dogs which then bark constantly and parking inconsiderately. Then the following mornings we discover the street littered with all of their rubbish. NO THANK YOU, WE OBJECT IN THE STRONGEST TERMS! ENOUGH IS ENOUGH! And we wish you to in fact restrict their hours.
