Subject: 17/501702/FULL Land At Callaways Lane, Newington, ME9 7LU

Dear Sir or Madam

for Swale Planning Committee Thursday 20 July 2017

re application 17/501702/FULL Land At Callaways Lane, Newington, ME9 7LU

We ask that the following be read to the Planning Committee:

Newington Parish Council was surprised and disappointed at the December 2016 Planning Committee decision to allow building on this site - which outside the build up area of the Village and abuts the Newington Manor Conservation Area.

We recognise that, whilst the application before the Committee this evening includes a two storey rearward facing addition to the original proposal, your original permission stands; therefore our objections have been rendered moot; further debate would not seem a good use of the Committee's time and for this reason alone Newington Parish Council procedurally withdraws its opposition.

Kind regards

Wendy Licence
