Enquiry ..... \*SE\* Initial Status NEW CRIME FOR ALLOCATION  
 Responsible Officer ...PSE 59586 KITCHENER  
 Valid On .....17/04/2017 11:36

Enquiry ..... \*\*SUMMARY\*\*  
 .....IP attended the Ivy Leaf Club and has been punched to the back of the head by an unknown suspect at around 0000hrs - 0019hrs on the 16/04/2017  
 Responsible Officer ...PSE 59586 KITCHENER  
 Valid On .....17/04/2017 11:36

Enquiry ..... \*\*CIRCUMSTANCES\*\*  
 .....IP states that he was at the bar and was asked to dance by a female he didnt know  
 .....He has gone to the dance floor whereby shortly afterwards he has been punched to the back of the head by an unknown attacker. A fight broke out which required the door staff to split up the parties though the IP did not actually see who was involved with the fight  
 .....The IP states the punch to his head did not leave any visible injuries but states that 24hrs+ later on he still has a headache so i have advised the IP to attend A&E and have this looked at to rule out the chance of a concussion as the IP was concerned that perhaps he has sustained one as a result of the punch.  
 .....IP had no idea why he was assaulted and did not see the suspect in anyway though IP was advised that doorstaff had ejected the suspect shortly afterwards.  
 Responsible Officer ...PSE 59586 KITCHENER  
 Valid On .....17/04/2017 11:40

Enquiry ..... \*\*CCTV / H2H\*\*  
 .....The IP stated he was advised that there is CCTV in the club though unknown if this covers the offence or what the quality of the CCTV is

Enquiry .....\*\*ALLOCATION\*\*  
.....The following initial lines of enquiry have been identified for allocation and further investigation:

.....V- Standard service VC - is unsure how far he is willing to progress he states that if options are given to him by an officer he may be able to decide - i advised that offences do try to get handled at the lowest proportionate level to begin with (be it warning/caution etc) unless there are aggravating factors such as the suspect known for violent crime in the past etc - stated we will look for CCTV first as may be a moot point and discuss his options if this is successful

.....O-  
.....W-

.....S- Potential CCTV at Ivy Leaf club with a proportionate timeframe of between 0000-0019hrs - suspect was ejected by door staff so this may be a notable moment by staff and be able to identify the suspect more readily.

Enquiry .....IMU GENERAL

.....Good afternoon,

.....I am chasing the above crime report on behalf of [REDACTED].  
[REDACTED] He is not at all happy that he is still yet to hear of an update with regards to CCTV being obtained from when he was assaulted on the 16th April. He was also not happy to hear there was no PC allocated to his crime report either. I have advised IMU have been liaising with the venue for the CCTV but this was not a good time and likely IMU will call back later but he feels this is not good enough and is requesting an explanation for the delay.

.....If [REDACTED] doesn't hear from anyone in IMU this evening, it is likely this is going to be escalated to a complaint to which he has already discussed this with Witness care.

.....Kind Regards,

.....Samantha
