EnquiryIP is calling to report that he attended The Ivy Leaf, in Sheerness, on Sunday 14th May 2107 and parked up his sports Kawaskai motorcycle in the rear car park of the Ivy Leaf at around 20.00 hours, and was parked where they pub have deliveries, and was securely locked.

.....IP returned to the vehicle at around 22.00 hours, and found that his motorcycle front tyre was flat, and then checked the rear of the bike and the rear tyre was flat also, and IP started the bike, and there was green coolant leaking out of the bike, which was placed in the incorrect place.

.....Then IP could not ride the bike, so he had to push the bike home and this took him about half an hour.

.....The IP has had a further look at the bike today 15th May 2017 and has noticed that the two tyres have been stabbed by a sharp object.

EnquiryE-mail received in IMU General:
.....
.....Hi,
.....
.....[REDACTED] has just called with regards to a crime ref number and to give an update.
.....
.....He initially gave me XY/004346/17 - but he is not named as a suspect or witness, so found the correct one via his name and DOB.
.....
.....He states that he would like to drop the charges on this case. I have noted that the case has been filed pending any further LOE, but was wondering if you could just add that he has called in with the above? I believe he is aware that he knew it was getting filed, but don't think he has actually understood it will be taken no further at this stage?
.....
.....Thanks
.....
.....Kind regards
.....
.....Sarah
