Dear Licensee

NHS Test and Trace

Further to our newsletter of 16 September 2020 we have been informed that the Government are making it compulsory for licensed venues to display QR codes for the new NHS app coming out on 24 September as detailed [here](#).

Please note that non-compliant premises could be subject to fines.

Links about the QR codes and how to set up posters that may help you are:

<https://www.covid19.nhs.uk/information-and-resources.html>

<https://www.gov.uk/create-coronavirus-qr-poster>

This applies to pubs, restaurants bars etc. Please note that if you have off-sales only this doesn't apply to you.

Kind regards, Licensing Team
