

## Location Plan

## Legend

### Environment Agency Flood Defences Types

- Beach
- Bridge Abutment
- Demountable Defence
- Embankment
- Engineered High Ground
- Flood Gate
- Wall

## Notes

Environment Agency defences are shown with a standard of protection which is against a 5% AEP event or more. Natural high grounds have been removed from the mapping.

Many of the defences around the coastline are coastal defences. With climate change, it is likely that many of the coastal defences will need to become tidal defences in the future.
