## A. Allocation of seats

| Overall Balance in relation to No. of seats |  |  |
| :--- | :--- | :--- |
| Conservative 27 | 0.5745 | 58 |
| Labour 9 | 0.1914 | 20 |
| Independent Group 6 | 0.1277 | 13 |
| Liberal Democrat 5 | 0.1063 | 10 |
| Total Number of Seats |  |  |

| Committee | Conservative | Labour | Independent Group | Liberal Democrat | Total |
| :---: | :---: | :---: | :---: | :---: | :---: |
| $1 \times 17$ seat Committee Planning | 10 | 3 | 2 | 2 | 17 |
| $1 \times 15$ seat Committee Licensing | 9 | 3 | 2 | 1 | 15 |
| $7 \times 9$ seat Panels/ Committees <br> High Performing Organisation Scrutiny <br> Safer and Stronger Community <br> Scrutiny <br> Regenerating Swale Scrutiny <br> Cleaner and Greener Swale <br> Scrutiny <br> Audit <br> Hackney Carriages <br> LDF Panel |  | 12 <br> 2 on 5 <br> 1 on 2 <br> (see <br> note <br> below, it <br> will work <br> out as 2 <br> on each) | $\begin{array}{\|l} \hline 8 \\ 2 \text { on } 1 \\ 1 \text { on } 6 \end{array}$ | $\begin{aligned} & \hline 7 \\ & 2 \text { on } 1 \\ & 1 \text { on } 5 \end{aligned}$ | 63 |
| $1 \times 6$ seat Committee Emergency Committee | 3 | 1 | 1 | 1 | 6 |
| TOTAL | 58 | 19 \# <br> 1 seat to be gifted to the Labour Group | 13 | 11 \# <br> This Group will need to gift one seat to the Labour Group. |  |

## B. Other Committees

The Standards Committee cannot be balanced due to its constitution, where Independent Members are required to have $25 \%$ of the overall membership of that Committee. At its last meeting, the Executive recommended to Council that the Standards Committee membership be increased to 6 Members as it will be necessary to form sub-committees from the Standards Committee.

Similarly, the JTB cannot be overall balanced due to the way the KCC Members are appointed, by division.

| Committee | Conservative | Labour | Independent <br> Group | Liberal <br> Democrat | Total |
| :--- | :--- | :--- | :--- | :--- | :--- |
| Standards - seats | 3 | 1 | 1 | 1 | 6 |
| Swale JTB - 7 seats | 4 | 1 | 1 | 1 | 7 |
