

Report on Outside Bodies 2010/11 Year.
Cllr Bryan Mulhern.

LGA Urban Commission.

There is no report to give on this as I was unable to attend the two meetings held in the year due to other meetings being on the days.

Faversham Bensted Charities.

I have attended all the meetings held of this committee during the past year and one extra ordinary meeting.
Owing to the private nature of the grants given I am un able to give further detail in this update report.

Faversham Hop Festival.

I have arranged several meetings of this together with senior officers during the past year.
Being Cabinet Member for Culture I have had a different focus on this committee, and also the Hop Festival committee themselves have formed a limited company.
I have fixed meetings on a two monthly basis with the four main directors, myself, Emma Wiggins, and Kate Woods
