Don Vann
Technical Director (Traffic & Safety)

Thank you for your recent letter.

I am not sure that a 40mph speed limit is either satisfactory for Barge Way or Swale Way.

I am trying to get the speed limit reduced along Grovehurst Road, as it is used as a speed track at the moment. Particularly from the roundabout where it joins up with Swale Way.

So I would not be happy about any speed limit in this vicinity exceeding 30mph.

Hopefully, this speed limit will become law along Grovehurst Road in due course.
