**Summary:** This report gives an update on the process, implementation and application of Kent County Council's (KCC's) Integrated Transport Programme (ITP) scheme prioritisation methodology, PIPKIN.

**Decision Required:** That Members note the report.

---

**Background**

1. Members will recall that the mechanism for Prioritising Investment Programmes on the Kent Integrated Network, PIPKIN, was the subject of a report to the last meeting of this Board. The Countywide list of outstanding schemes has now been assessed in accordance with the PIPKIN process. Details and the outcome of this process will be the subject of a report to the meeting of the Highway Advisory Board on 18 September 2007. This report is being compiled and will be the subject of an update report to this meeting of the Board.

**Decision Required**

2. That Members note the report.
