

Proposed Amendments to Parking Restrictions Abbey Street/Abbey Place, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to carry out minor amendments to the existing parking restrictions in Abbey Street and Abbey Place, Faversham, as shown on the plan overleaf.

These proposals consist of extending the existing parking bay in the vicinity of No.77 Abbey Street, and replacing a section of the existing double yellow line on the south side of Abbey Place with a single yellow line with restricted parking 8:00am to 6:30pm Monday to Saturday to match the adjacent single yellow line. The proposals should increase the capacity of parking spaces whilst maintaining safety at the Abbey Place/Abbey Street junction.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Parking Restrictions Abbey Road/Abbey Street, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to introduce short sections of double yellow lines in Abbey Road and Abbey Street.

These proposals consist of installing double yellow lines across two sets of garage entrances in Abbey Road, and across the entrance to The Maltings, as shown on the plan overleaf.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Parking Restrictions Abbey Street, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to introduce a short section of double yellow line in Abbey Street, Faversham.

These proposals consist of installing double yellow lines across the vehicle crossing of No.13 Abbey Street, where problems have been experienced with parked vehicles obstructing access.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Amendments to Parking Restrictions Athelstan Road Area, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to carry out minor amendments to the existing parking restrictions in the Athelstan Road area of Faversham, as shown on the plan overleaf.

The proposals consist of reducing the existing waiting limit for non permit holders from 4 hours to 2 hours, following suggestions from residents in the area. In addition to this, we have received a request to install double yellow lines across the vehicle crossing at the side of No.16 Athelstan Road, in Kingsnorth Road, to prevent parked vehicles obstructing the access.

If you support or object to the proposals please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Amendments to Parking Restrictions Fielding Street, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to carry out minor amendments to the existing parking restrictions in Fielding Street, Faversham, as shown on the plan overleaf.

These proposals consist of extending the existing parking bay in the vicinity of No.33a Fielding Street, as the vehicle crossing previously at this location is no longer in use.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Parking Restrictions Makenade Avenue/Canterbury Road, Faversham

Swale Borough Council are proposing to install double yellow lines on the junction of Makenade Avenue and Canterbury Road, in Faversham.

These proposals follow requests from some residents during the Faversham Parking Review, and it is proposed to introduce these parking restrictions to improve visibility on this corner by removing parked vehicles.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Parking Restrictions Newton Road, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to install a short length of double yellow line in Newton Road, as shown on the plan overleaf.

The proposals consist of marking double yellow lines across the entrance to Herbert Dane Court, where vehicles are reportedly preventing access by ambulances. The provision of these restrictions should alleviate the need to install an ambulance bay on the public highway as previously requested.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Amendments to Parking Restrictions Roman Road, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to carry out minor amendments to the existing parking restrictions in Roman Road, Faversham, as shown on the plan overleaf.

These proposals consist of replacing the existing single yellow line on the west side of Roman Road, near the junction with Stone Street, with parking bays as is the case on the opposite side of the road, to increase the parking capacity in the area.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Parking Restrictions South Road, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to install a short section of parking restrictions in South Road, Faversham, as shown on the plan overleaf.

These proposals consist of installing two short lengths of double yellow lines on either side of the access to properties between St Ann's Road and Nightingale Road, to maintain suitable visibility for vehicles using this junction.

If you support or object to the proposal please complete the pre-paid reply slip below and return to the Borough Council before 9th November 2007. A space has also been provided to allow you to add any further comments you may have.

Proposed Amendments to Parking Restrictions St John's Road Area, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to carry out minor amendments to the existing parking restrictions in St John's Road and the surrounding area of Faversham, as shown on the plan overleaf.

The proposals consist of reducing the existing waiting limit for non permit holders from 4 hours to 2 hours, following suggestions from residents in the area. Where existing restrictions are already limited to 2 hours for non permit holders, it is proposed to leave these restrictions unchanged.

If you support or object to the proposals please complete the pre-paid reply slip below and return to the Borough Council before Friday 9th November 2007. A space has also been provided to allow you to add any further comments you may have.
