Dear Madam/sir,

I am writing to you concerning yellow road markings that are to be put into Rose Street, Sittingbourne.

I understand that the yellow lines are not to be marked outside my property however I have concerns regarding this, I have lived in Rose Street for a total of forty six (46) years, and all the parking in Rose Street is becoming a problem, My own family can not find a space near my house when visiting and this is due to the fact that Seashells staff are not allowed to park in their own car park Swale housing, has employees taking up $\frac{1}{4}$ of the parking, High Street Shop workers
