

park in Rose Street and Surrounding Street  
Multi tenent flats and shops ect. also add  
to the problem.

I only found out about these markings from  
reading a notice which as been placed upon  
a pole. A curtesy letter would have been  
nice and also views on this from the right(s)  
property's should have been ask for.

I don't think these lines should be put in  
place as I fill it will add to the parking problems  
that already exsisted.

A permit holder parking zone would be  
much more appropriate as this would stop  
the parking Problem's. I also fill Rose Street  
should be made a permit holder parking  
Zone Now and not in years to come.

The residence are not being treated  
fairly by the Council, by the lines being  
put into place therefore I am asking you  
to reconsider this.

I look forward to hearing from you
