

**ANNEX B**

**Proposed Waiting Restrictions - College Road, Sittingbourne**

**Recommendation – Approval**

Objection No.	Resident Ref No.	Comment/Objection	Response
1	1	The last two bungalows at the end of college road are disabled bungalows; it's not fair on us. Other houses have lay-bys and are private houses.	Blue badge holders are allowed to park on double/single yellow lines for up to 3 hours. The bungalows stated are in close proximity to a double junction, parking close to junctions is not advised as it may affect safe vehicle movements. The proposed lines will encourage sensible parking and keep the junction area clear key times.
