SUBJECT: SHEERNESS PARKING REVIEW

BY: Head of Environmental Services

Classification: Unrestricted

Summary: A report to update Members on the Sheerness Parking Review

Decision Required: For Information Only

Introduction

1. Following the previous questionnaire sent out to residents in Sheerness as part of the Sheerness Parking Review, a second leaflet has now been sent out to residents of Delamark Road and Royal Road. A copy of this questionnaire can be found in Annex A.

Discussion

2. The questionnaire was based on suggestions to change the existing car park for the residents of Delamark Road and Royal Road, Sheerness, into a Pay and Display car park, and to introduce a Residents' Parking Scheme for both roads. As the closing date for this consultation is Wednesday 26th August, a tabled report will be submitted to the Joint Transportation Board summarising the feedback received.

Recommendation

3. Members are asked to note the contents of this report and consider the tabled document.
