1	1		Yes, would like this done ASAP
2	1		No comments
3	1		Do not like Yellow lines in a village but agree this is the best way to prevent the hazardous parking
4	1		
5		1	It is not a good policy to restrict access to the village shop - which is what these offenders are doing.
6	1		A very good idea.
7	1		Would like DYL at bottom of AKC. Hard to get into my drive at times due to people parking on corner to go to shops.
8	1		If respected would help cut out blind spot when traffic comes down the village.
9	1		
10	1		It has been dangerous to drive out of AKC and I agree as you cannot see on coming traffic.
11	1		
12	1		My daughter finds it difficult to turn right as unable to see traffic approaching
