

Proposed Amendments to Parking Restrictions Zone FA (Abbey Street) Area, Faversham

Following requests from residents during the Faversham Parking Review, Swale Borough Council are proposing to carry out amendments to the existing parking restrictions in Abbey Street and the surrounding areas, currently covered by the Residents' Parking Scheme.

The proposals consist of amending the existing operating times for the Residents' Parking Scheme from "8:30am-6:30pm Monday to Saturday" to "8:30am-10:30pm Monday to Saturday". It is also proposed to change the waiting limit for non-permit holders from "1 hour, no return within 2 hours" to "30 minutes, no return within 2 hours", and to extend the existing Scheme area to include Court Street. These amendments have been suggested to alleviate problems currently experienced with parking in the evenings by customers to pubs and restaurants in the area.

If you support or object to the proposals please complete the pre-paid reply slip below and return to the Borough Council before Friday 21st May 2010. A space has also been provided to allow you to add any further comments you may have.

Proposed Extension to Residents' Parking Scheme Between Canute Road and The Mall, Faversham

Following feedback received from residents during the Faversham Parking Review, Swale Borough Council are proposing to extend the existing Faversham Residents' Parking Scheme to include Belmont Road, Edith Road, Kingsnorth Road and possibly Canute Road.

The new restrictions would allow residents to buy a maximum of two permits per household, with each permit covering up to two vehicles, one at any one time. The proposed restrictions would match those in other areas of the existing Residents' Parking Scheme, and would operate from 8:30am to 5:30pm Monday to Saturday. The cost of the permits would be £40, and non-permit holders would be restricted to 2 hours parking with no return within 4 hours.

Although the feedback from the review suggested that the majority of residents in Canute Road would be opposed to a Residents' Parking Scheme in their road, as it is proposed to introduce a Scheme in adjoining roads it was felt that this may displace parked vehicles into Canute Road, and for this reason we have included Canute Road residents in this second consultation.

If you support or object to the proposals please complete the pre-paid reply slip below and return to the Borough Council before Friday 21st May 2010. A space has also been provided to allow you to add any further comments you may have.

Proposed Withdrawal of Voucher Scheme Stone Street to Briton Road Area, Faversham

Following the recent Faversham Parking Review, Swale Borough Council are proposing to carry out amendments to the existing parking restrictions in the area from Stone Street to Briton Road.

The current Voucher Parking Scheme allows visitors and residents not in possession of a permit for this zone to purchase a voucher to allow parking for a limited period of time. However, the administration costs, including printing of the vouchers, delivery of vouchers to outlets and collection of income received, is far in excess of the money generated, and for this reason it has been requested by the Parking Control Section that this service be withdrawn.

The removal of the voucher scheme would allow motorists without permits to park free of charge within the area for a maximum of 2 hours, with no return within 4 hours, as in other areas of the scheme.

If you support or object to the proposals please complete the pre-paid reply slip below and return to the Borough Council before Friday 21st May 2010. A space has also been provided to allow you to add any further comments you may have.
