RE: Proposal to replace existing single yellow lines on the junction of Millfield Road with Whitstable Road with double yellow lines.

Dear Sirs

I have read your notice regarding the above. What I need to know is what you intend to do about the lack of resident parking on Whitstable Road after 6pm? I have only one car in my household and if this were the case with all the houses there would be ample parking for all residents. Instead I struggle to find anywhere to park if I come home after 6pm. This is a problem which you must address as your proposed restrictions will further exacerbate the already desperate situation. I have two suggestions:

1. Marked parking bays for each house, or
2. Residents only permits to park between 6pm and 6am.

I hope you will treat this matter with serious consideration and I look forward to your reply.

Yours faithfully,
