

Proposed Extension to Residents' Parking Scheme Between Canute Road and The Mall, Faversham

Following feedback received from residents during the Faversham Parking Review, Swale Borough Council are proposing to extend the existing Faversham Residents' Parking Scheme to include Belmont Road, Edith Road, Kingsnorth Road and possibly Canute Road.

The new restrictions would allow residents to buy a maximum of two permits per household, with each permit covering up to two vehicles, one at any one time. The proposed restrictions would match those in other areas of the existing Residents' Parking Scheme, and would operate from 8:30am to 5:30pm Monday to Saturday. The cost of the permits would be £40, and non-permit holders would be restricted to 2 hours parking with no return within 4 hours.

Although the feedback from the review suggested that the majority of residents in Canute Road would be opposed to a Residents' Parking Scheme in their road, as it is proposed to introduce a Scheme in adjoining roads it was felt that this may displace parked vehicles into Canute Road, and for this reason we have included Canute Road residents in this second consultation.

If you support or object to the proposals please complete the pre-paid reply slip below and return to the Borough Council before Friday 21st May 2010. A space has also been provided to allow you to add any further comments you may have.
