

This petition was handed in by
of Meyrick Road Sheerness ME12
phone number 01795 on the 17/01/2012
on behalf of the residents of Meyrick Road Sheerness.
Please note numbers 2-4-6-8-10-do not exist in Meyrick
Road, numbers 12-18-31 are empty and 32-34-36 belong to
the theatre.
Please Note that in no way are trying to get the theatre shut
down, just for staff and patrons to have some respect for the
residents.

TO WHOM IT MAY CONCERN

We the unsigned are all residents of Meyrick Road Sheerness Kent ME12 2NX, would like to lodge a formal complaint with regards to Sheppey Little Theatre. On the days and evenings that the theatre is open, it becomes near enough impossible for residents to park their own vehicles in their own street. Whilst we fully understand that everybody pays road tax and are entitled to park where they can, we feel its unfair, that we have to park a street or two away on theatre days. Down Meyrick there are two disabled bays, and sometimes these are both used by users of the theatre. A few of the residents have trouble walking any distance and when unable to park in the bays it causes great inconvenience to them.

Within 5 minutes walking distance there are two big car parks, one in trinity road and the other is behind the coop off the high street. Why cant users of the theatre be directed to these car parking spaces? The other matter in this complaint is the noise caused by the people leaving the theatre on the evening shows, the people congregate outside to say their good byes and have their cigarettes. They create a disturbance by talking loudly and laughing, and shouting their goodbyes down the street, also causing a obstruction on the pavement, people who wish to pass either have to push pass or walk out in the road to go around them, as they do not wish to move to let you through. Some of the residents down the street have young children, and one resident has to get up for work at 4.30am and is quite often woken up by the noise. Again while we understand they can not smoke in the building, their could say their goodbyes in the foyer and have respect when leaving the building for the residents. As this complaint is by all the residents of Meyrick Road we would appreciate if you could send a reply to each resident. Thank you for your time, hope to hear from you soon.

RETURNED BY RESIDENT.

we avoid driving when there's a show on as upon our return, we often have to park two streets away.

Although noise doesn't affect us as much, the lack of consideration by patrons is disgusting. There are plenty of car parks nearby, wed like the theatre to take more responsibility for the customers they attract.
