| Summary: | This report is for Members' information and advises about amendments being made to the Swale Joint Transportation Board Agreement |
| Classification: | Unrestricted |

Introduction

1. At the last meeting of Swale JTB County Councillor Mr Bowles advised that he had attended a meeting of Swale Area KALC on 5th March 2012, where it had been proposed that three Kent Association of Local Council (KALC) members sit on the Swale JTB, one from each area – Faversham, Sittingbourne, Isle of Sheppey. The Chairman of the Swale Area KALC meeting, David Brazier, had endorsed this change which is an increase from the current arrangement of two KALC members.
2. Consequently, the First Schedule of the Swale Agreement on Joint Transportation Boards is currently being revised to state the following:

Membership

Clause 2.1

JTB membership will comprise all KCC local members for divisions in the Council's area an equal number of members appointed by the Council and ~~two~~ three representatives of the Parish and Town Councils within the district. The Council may appoint substitutes for its Members.

Clause 2.2

The Parish and Town Council representatives will be nominated by the Area Committee of the Kent Association of Local Councils or other representative body for Parish Councils within the district if this provides a more complete

representation a substitute member may also be nominated. The Parish or Town Council representatives may speak but may neither vote nor propose a motion nor an amendment.
