from 9 November 2009

The SUN Scheme

The SUN Scheme in Swale

The **SUN** scheme provides accessible travel to those that cannot use conventional public transport. Membership is open to those with a disability or mobility impairment or those living in a rural area more than 500 metres from an existing bus route.

To use the service you must first join the **SUN** scheme, for which you pay an annual membership fee of £5. For an application form, please call 01622 605349.

The services operate with wheelchair accessible vehicles. If you would like to bring a companion, for example your carer or spouse, they do not need to be a member; all they pay is the journey fare.

SUN Kent Karrier

The service will take you directly from your door to Faversham, Sittingbourne or Sheerness, depending on where you live. You pay a standard flat fare, single or return. To find out the current fare, please call **Chalkwell** on **01795 519586**.
