The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' that sets out the policies the Council will general apply to promote the licensing objectives when making decision on applications made under the Act. The Policy will be available at the meeting for reference purposes.

Under the 2003 Act, it is the duty of all licensing authorities that, in carrying out their functions, they must have regard to guidance issued by the Secretary of State under section 182. The Guidance cannot anticipate every possible scenario or set of circumstances that may arise. Provided that the licensing authority has properly understood and considered the Guidance, it may depart from it when it has reason to do so. However, as the licensing authority is under a duty to have regard to the Guidance, it will need to give full reasons for its departure from it. This would be a key consideration for the courts should departure from the Guidance result in a determination which gives rise to an appeal or judicial review. Should the need arise the Guidance will be available at the meeting for reference purposes.

The Licensing Authority must, under the Act refer any application for hearing to the Licensing Panel, if relevant representations are made by a responsible authority or other person. A copy of the Council's approved procedure for hearings of the Panel in relation to an application, along with a copy of the Hearings Regulations has been circulated to all parties prior to the meeting.

Identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.
We would like the condition to serve drinks in toughened glass or poly carb, with no bottles removed, as this makes service of drinks such as wine in glasses or soft drinks hard, and we have shown are ability to manage a safe envoirment over the last 3 years with no incidents.

Subject: West Faversham Community Centre, Faversham

I write on behalf of the local residents living near to the above centre.

I refer to our recent conversation and the new application to revise the current licence at the West Faversham Community Centre and wish to raise concerns regarding this application.

You have advised that the application seeks to extend the hours of live music on both Friday and Saturday evening to midnight. You have also confirmed that the current requirement for there to be no guests outside after 10pm and that the rear doors remain closed after this time.

#### My concerns are:

We are aware of the current conditions of the licence and do not believe that they are being respected.

The requirement of no guests outside after 10pm and that the rear doors be closed from this time is not adhered to fully. There are occasions when quests are outside after this time and the doors remain open after 10pm. The most recent was last Saturday when the doors were open past 11pm with guests visible outside. Music is also therefore clearly heard from the premises.

We are also concerned that the extension to 12midnight will impact on the local community with events ending later. Guests are not quiet when leaving the premises which is set within a residential area. There have been many occasions where disruptive guests have concerned some of the local residents.

Residents have also had on many occasions had to report excessive noise at the hall. You will I am sure be aware that the hall is not soundproof and if you check with the local environment team will see that noise has been reported on many occasions.

we would also like to highlight that the bottle banks used by the centre are often used at unsociable hours either late at night or early mornings.

We trust you that our concerns will be taken into account when considering this licence revision.
