## Annual Council Meeting

<b>Meeting Date</b>	16 May 2018
<b>Report Title</b>	Allocation of Committee seats and Committee appointments for 2018/19
<b>Portfolio Holder</b>	Leader
<b>SMT Lead</b>	Chief Executive
<b>Lead Officer</b>	Democratic and Electoral Services Manager
<b>Key Decision</b>	No
<b>Classification</b>	Open

<b>Recommendations</b>	<b>1. The Council is asked to agree the political balance calculation as set out in Appendix I.</b>
	<b>2. The Council is asked to allocate seats to those Committees and to agree the appointment of Members to those Committees, in accordance with the wishes of Group Leaders, as set out in Appendix II.</b>
	<b>3. The Council is asked to agree the Chairman and Vice-Chairman of those Committees, as set out in Appendix III.</b>

## 1 Purpose of Report and Executive Summary

- 1.1 Section 15 of the Local Government and Housing Act 1989 requires Local Authorities to review the allocation of seats on committees at the annual meeting, or as soon as possible after it (set out in Appendix I). Once the Council has agreed the allocation of Committee places between the political groups the Council must then appoint the nominees of the political groups to the committees.
- 1.2 Political groups on the Council are formed in accordance with the Local Government (Committees and Political Groups) Regulations 1990 when 2 or more Councillors must notify the Proper Officer of their wish to be treated as a group.

## 2 Background

- 2.1 The following principles apply to the allocation of seats:
- (a) That not all seats on the body to which appointments are being made are allocated to the same political group;

- (b) That the majority of seats on each Committee is allocated to a particular group if the number of persons belonging to that group is a majority of the authority's membership;
  - (c) Subject to (a) and (b), that, when allocating seats to a political group, the total number of their seats across all the ordinary committees of the Council, must reflect their proportion of the authority's membership; and
  - (d) Subject to (a) and (c), that the number of seats on each committee is as far as possible in proportion to the group's membership of the authority.
- 2.2 Sub-committees are also governed by the political balance rules, but it is not necessary to add up all the sub-committee seats and then allocate them in proportion. As far as this is predictable, the allocation of seats on each sub-committee should reflect the proportional representation of the political groups on the Council.
- 2.3 Each of the political groups is entitled to a certain number of seats on committees. This is based on their percentage representation on the Council as a whole, as detailed in Appendix I. This is then required to be manually adjusted to ensure that the number of seats allocated to a particular group matches and does not exceed their entitlement.
- 2.4 The Joint Transportation Board and the Local Plan Panel (formerly the Local Development Framework Panel), because their functions are Executive functions and their membership means that they are not committees covered by section 101 of the Local Government Act 1972 therefore section 15 of the LGHA does not apply.
- 2.5 Group Leaders have been requested to provide nominations to the places on committees to which their respective groups are entitled; this has been set out in Appendix II.
- 2.6 The Constitution authorises the Council to appoint the Chairmen and Vice-Chairmen of certain committees. The nominations to these positions are set out in Appendix III.

### **3 Proposal**

- 3.1 The Council is asked to agree the recommendations set out on page one of this report.

### **4 Alternative Options**

- 4.1 Council can decide to change the number and size of Committees; however, this will have an impact on the number of seats available on the Council and will therefore require the political balance to be re-calculated to reflect this. Members are encouraged to make officers aware in advance of the meeting of any proposals of this nature.

## 5 Consultation Undertaken or Proposed

- 5.1 All Group Leaders have been asked to advise Democratic Services of their nominations to seats on Committees for their respective Groups. This will be circulated at the Council meeting.

<b>Annual Council Meeting</b>
-------------------------------

<b>Meeting Date</b>	16 May 2018
<b>Report Title</b>	Borough Council representation on outside bodies, trusts administered by Swale Borough Council and statutory bodies
<b>Cabinet Member</b>	Leader
<b>SMT Lead</b>	Chief Executive
<b>Head of Service</b>	n/a
<b>Lead Officer</b>	Democratic and Electoral Services Manager
<b>Key Decision</b>	No
<b>Classification</b>	Open
<b>Forward Plan</b>	Reference number: n/a

<b>Recommendations</b>	1. <b>The Council is asked to agree Borough Council representation on outside bodies, trusts administered by Swale Borough Council and statutory bodies</b>
------------------------	---

## 1 Purpose of Report and Executive Summary

- 1.1 Following the review and audit of outside bodies carried out in 2011, there are now 31 outside bodies within Swale that have representatives from Swale Borough Council on them. In accordance with the revised procedures, Group Leaders were asked to undertake an annual review as to whether they consider nominations should continue to be made to these organisations.
  
- 1.2 This report is asking the Council to agree representation to outside bodies, trusts administered by Swale Borough Council and statutory bodies. It should be noted, that some of the appointments can be made by the Cabinet and so the Council is not asked to agree those.

## 2 Background

- 2.1 Group Leaders have submitted their proposals for nominations which are set out in Appendix I (to follow).
  
- 2.2 By way of background, the protocol agreed by Council on 23 February 2011 set out the following guiding principles as to whether or not appointments should be made. They are:

**Essential:-**

- Representation is still required – will be reviewed annually
- Appointee's role is clearly defined and does not duplicate existing arrangements
- Aims and objectives of the Outside Body (OB) are compatible with the Council's
- OB must have Terms of Reference, Constitution, Written agreement, Trust Deed or Memo and Articles, Audited accounts
- OB indemnifies appointed member and adequate insurance cover is arranged by organisation
- Appointment required by virtue of a statutory duty or other legal requirement;
- Appointment required by virtue of a specific decision or policy adopted by the Council;
- Any costs of attendance can be met within resources available to the Authority

**Additional considerations:-**

- Appointment will improve the Council's working relationships with outside bodies
- Appointment deriving from the Council's community leadership/consultative role or enhances the Council's Community Leadership role
- Organisation set up by the Council
- To ensure that the authority is in a position to influence sub-regional strategic decisions
- Capacity building – where interests, expertise or specific skills or knowledge are required – two way process
- Time commitments must be proportionate to the Council's objectives
- Equality of access to Councillors' time
- Expenses covered by external organisation (save from VCS)

2.3 Members may wish to think seriously before being nominated as a trustee or director by the Council, with regard to the legal obligations that this imposes on the appointee.

2.3.1 **Constitution position** – the appointment process within the Constitution follows certain principles. It is split between (a) those bodies to which the Council appoints as a body corporate e.g. charities and trusts and which fulfil primarily council functions and (b) those which do not require 'body corporate' appointment and are more closely linked to the exercise of executive functions e.g. partnerships.

**2.3.2 Changes in number of Council representatives required:**

**The Alexander Centre Community Interest Company (CIC)** - (formally Alexander Centre Trust)

As the Alexander Centre CIC no longer receives funding from Swale, there is no requirement to have a Swale representative on the Members Committee.

## **Mid-Kent Downs AONB Steering Committee**

This body has been officially decommissioned and therefore does not require a representative from Swale.

- 2.4 **Register of Interests** - Members are required to record any changes to their interests arising from their appointment to an outside body.

### **3 Proposal**

- 1.3 Council is asked to consider the Group Leaders' nominations and decide who should be appointed to sit on each body as set out in Appendix I.

### **4 Alternative Options**

- 4.1 Council can decide whether or not to accept the nominations made by the Group Leaders, and whether or not to make appointments to those outside bodies. Consideration should be given to the principles already agreed in the Outside Bodies' Protocol adopted by full Council on 23 February 2011.

### **5 Consultation Undertaken or Proposed**

- 1.4 The proposals in this report follow consultation with Group Leaders.

### **6 Implications**

<b>Issue</b>	<b>Implications</b>
Corporate Plan	A Council to be proud of.
Financial, Resource and Property	None identified at this stage, although should the Executive recommend to Council to review the process and policy of nominations on outside bodies, this would have a human resource implication.
Legal and Statutory	The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 sets the responsibilities between Council and the Executive.  Some appointments are as Trustees or Directors which have specific legal responsibilities and liabilities for the individual member.  To ensure compliance with the Members' Code of Conduct any member appointed to an outside body must review their declaration in the Members' Register of Interests within 28 days of any change.

Crime and Disorder	None identified at this stage.
Sustainability	None identified at this stage, although should there be a further review of the process and policy of nominations on outside bodies, this could have equality and diversity implications.
Health and Wellbeing	None identified at this stage.
Risk Management and Health and Safety	The audit of outside bodies reviewed the roles and capacities of Members the Council nominates to outside bodies. The audit enabled the Council to identify and manage any risks that may arise from making appointments to outside bodies and allows members to take informed decisions about whether or not they wish to accept appointments that could impose significant legal obligations on them.
Equality and Diversity	None identified at this stage, although should there be a further review of the process and policy of nominations on outside bodies, this could have equality and diversity implications.
