- 2.2 The review was conducted principally through a number of meetings between the TFG and officers but also incorporated visits to a number of neighbouring councils to meet with their Planning Committee members and support officers as well as observing their Planning Committee meetings. The review also considered a range of data which illustrated that Swale had the lowest rates of delegation to officers of all the Kent districts for determining planning applications.
- 2.3 The final interim report of the review was agreed by the Scrutiny Committee in March and was submitted to Cabinet on 30 May. Cabinet agreed its response to the report's recommendations at its meeting on 11 July.

Overview and Scrutiny Annual Report 2017/18

Swale Borough Council

Foreword

Welcome to the overview and scrutiny report for 2017/18. The aim of this report is to reflect on the work that has been done in Swale this year.

2017/18 saw good progress made on a number of reviews including development management which produced an interim report and recommendations which have been submitted to Cabinet and housing services which has concluded with a report and recommendations which was considered at the first meeting of the Committee in 2017/18.

The Committee also had several sessions to consider progress of the Sittingbourne Town Centre regeneration, as well as considering the Cabinet's draft budget for 2018/19, fees and charges, and financial and performance monitoring reports.

2018/19 presents a particularly challenging financial climate for the Council and the Committee has to continually adapt and respond to meet the many challenges ahead. We need to give a particular focus to resources and continually challenge whether the services the Council provide are being delivered in the most cost effective and efficient ways.

The overview and scrutiny function at Swale should not be excluded from this continuous drive for efficiency and effectiveness and we will review, during the course of the year, how we can improve. It is four years since the Council last changed its overview and scrutiny processes and a further review of our systems and processes, to ensure we are as effective as the best in the country, is timely.

Overview and scrutiny will need to be at the very centre of the difficult decisions the Council will need to take during 2018/19 and we stand ready to play our part in these considerations in order to ensure that decisions are taken in a transparent and evidence-based way.

The Committee will continue to ensure that the Council's decision-making processes are appropriately scrutinised in a systematic, transparent and fair manner.

If you would like to contribute to the scrutiny process, or have ideas for areas which you think would benefit from scrutiny, we would welcome your suggestions. Please let us have your views by email democraticservices@swale.gov.uk or telephone on 01795 417 330.

1 What is overview and scrutiny?

Introduction

- 1.1 Overview and scrutiny is a function of all English local authorities with an executive form of governance. This includes those, such as Swale, where a leader and cabinet take day-to-day decisions, and only decisions which affect the overall budget or policy framework are taken by the whole council.
- 1.2 Overview and scrutiny's main role is to hold the leader and cabinet to account on behalf of the whole council. This includes monitoring how well the council manages its resources and runs its services, as well as scrutinising the cabinet's formal decisions before they are put into operation.
- 1.3 Overview and scrutiny committees also have powers to examine other public services not provided by the council, including some health and policing matters.

Overview and scrutiny at Swale

- 1.4 Swale Borough Council has a single Scrutiny Committee which exercises all of the formal powers available to it under the Local Government Act 2000 (as amended).
- 1.5 The Scrutiny Committee comprises 13 councillors who are not members of the Cabinet. Whereas Cabinet members are usually drawn exclusively from the political group with a majority of seats on the Council, the Scrutiny Committee is made up of councillors from all groups and seats on the Committee are allocated in accordance with the political balance considerations across the Council as a whole. The Chairman and Vice-Chairman are appointed at Annual Council at the start of each new Municipal Year.
- 1.6 The role of the Scrutiny Committee includes:
 - reviewing or scrutinising decisions made, performance of, the Cabinet and Committees and Council Officers both in relation to individual decisions and over time;
 - reviewing or scrutinising the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas;
 - requiring members of the Cabinet and/or Committees and Chief Officers to attend before it to answer questions about their decisions and performance, whether generally in comparison with service plans and targets over a period of time, or in relation to particular decisions, initiatives or projects; and
 - reviewing and scrutinising the performance of other public bodies in the area.

- 1.7 The Scrutiny Committee also has special responsibility for scrutinising the Cabinet's annual budget proposals as part of the Budget and Policy Framework Procedure Rules.
- 1.8 The Scrutiny Committee is not a decision-making body as such. Instead it makes recommendations to Cabinet, who can either accept or reject them. In either case, Cabinet always responds 'on the record' to recommendations, stating why they have or have not been accepted. The Committee can also make recommendations to other organisations beyond the Council, but their legal powers here are weaker.
- 1.9 The Committee has a power to 'call-in' a Cabinet decision which has been taken but not yet implemented. Once the Committee has 'called-in' a Cabinet decision, it will consider the decision and decide whether to refer it back to Cabinet for reconsideration.
- 1.10 The Scrutiny Committee reviews a wide range of topics as well as regularly scrutinising financial and performance monitoring information.
- 1.11 Swale has also established a Policy Development and Review Committee which reviews any new or revised council policies and advises the relevant Cabinet member accordingly. This Committee does not have any formal overview and scrutiny powers, but it does have the power to make recommendations to the person or body that referred an item to it. A separate annual report for the Policy Development and Review Committee is prepared each year.

Principles

- 1.12 The key local principles forming the foundation of the overview and scrutiny function at Swale Borough Council are as follows:
 - the focus for scrutiny must be based upon the achievement of outcomes rather than upon process and procedures in order to develop a function that can make a real difference to the Council and the borough;
 - that overview and scrutiny be positive, objective and constructive, seeking to add value to any service that it considers. Scrutiny should acknowledge good practice where found and recommend improvements where necessary; and
 - it is essential that the Council has an active and challenging scrutiny function that reflects corporate priorities regarding the provision of services.
- 1.13 Overview and scrutiny plays an important role in the overall governance of the Council.

2 Scrutiny Committee

- 2.1 The Scrutiny Committee is responsible for focussing on scrutiny and holding to account of corporate issues such as the budget, service performance and delivery of planned actions. Its full Terms of Reference during 2017/18 were as follows:

Preamble: the Scrutiny Committee satisfies the requirement under legislation (S.9F of the Local Government Act 2000 as inserted by the Localism Act 2011) to include provision for the appointment of one or more committees. The Scrutiny Committee plays a particular role in scrutinising the Executive's annual budget proposals as part of the Budget and Policy Framework Procedure Rules (Part 4.3 of the Constitution refers).

General role: Within the terms of reference, the Committee will:

- (i) review or scrutinise decisions made, and performance of, the Cabinet and Committees and Council Officers both in relation to individual decisions and over time;
- (ii) review or scrutinise the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas;
- (iii) require Members of the Cabinet and/or Committees and Chief Officers to attend before it to answer questions about their decisions and performance, whether generally in comparison with service plans and targets over a period of time, or in relation to particular decisions, initiatives or projects;
- (iv) make recommendations to the Cabinet or appropriate Committee or Council arising from the outcome of the scrutiny process – it is expected that reviews of policy arising out of the work of the committee would be referred to the Policy Development and Review Committee;
- (v) review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Committee and local people about their activities and performance;
- (vi) make reports or recommendations to the authority or the executive with respect to any functions which are not the responsibility of the executive;
- (vii) make reports or recommendations to the authority or the executive on matters which affect the authority's area or the inhabitants of the area;
- (viii) exercise the right to call-in, for reconsideration, decisions made but not yet implemented by the executive;
- (ix) consider Councillor Call for Action requests in accordance with the Councillor Call for Action Protocol contained in Part 5 of this Constitution; and
- (x) in accordance with Section 19 of The Police and Justice Act 2006, to act as the Council's "Crime and Disorder Committee" in terms of reviewing and

scrutinising decisions made, or other actions taken, in connection with the responsible authorities discharge of their Crime and Disorder functions.

The Scrutiny Committee shall exercise overall responsibility for any finances made available to them.

Annual Report – the Scrutiny Committee must report annually to the full council on its work and make recommendations for amended working methods if appropriate.

Performance and financial monitoring

- 3.2 The Committee receives reports on performance and financial monitoring at many of its meetings.
- 3.3 The Committee regularly considered those indicators where performance was not achieving targets and discussed with Heads of Service their plans for turning performance around on these indicators. The Committee plays a significant role in the Council's performance management arrangements in that indicators which consistently fall into the 'red' category are escalated up to the Scrutiny Committee for further investigation.
- 3.4 The Committee received regular financial monitoring reports that presented Members with the opportunity to highlight significant budget variances and ask questions of officers and Cabinet members about their plans to address this.

Council budget

- 3.5 One of the Committee's key responsibilities is to scrutinise the Cabinet's annual budget proposals before these are ratified by the Council, which took place at a specially convened meeting on 25 January 2018. The Committee Chairman opened the meeting up so that any Council Member could attend and make representations. The Deputy Cabinet Member for Finance and Performance, along with other Cabinet Members and Senior Officers were present to respond to Members' questions. The Committee scrutinised the Cabinet's budget proposals line by line.
- 3.6 Cabinet noted the Committee's comments at their meeting of 7 February 2018.
- 3.7 The reports the Scrutiny Committee considered on the Council's draft budget are available here:

<https://services.swale.gov.uk/meetings/ieListDocuments.aspx?CIId=139&MIId=1884&Ver=4>

- 3.8 The Committee's consideration of the draft budget is available here:

Fees and charges

- 3.9 The Committee considered the Council's annual review of fees and charges separately from the Budget this year. A record of the Committee's discussions with the Cabinet Member for Finance and Performance and Chief Financial Officer is available here:

<https://services.swale.gov.uk/meetings/documents/g1876/Printed%20minutes%2015th-Nov-2017%2019.00%20Scrutiny%20Committee.pdf?T=1>

Sittingbourne Town Centre regeneration proposals

- 3.10 The Committee received updates throughout the year from the Cabinet Member for Regeneration and Director of Regeneration on the Sittingbourne Town Centre regeneration scheme.

Housing services

- 3.11 This review had started in the 2014/15 Municipal Year.
- 3.12 The Committee resolved to refresh this review and take it forward in the 2016/17 Municipal Year. The Committee approved the report of the Task and Finish Group which had been set up to undertake the review and this is available here:
<https://services.swale.gov.uk/meetings/documents/s7828/scrutiny%20committee%20work%20programme%202017-18.pdf>
- 3.13 The report and recommendations were subsequently submitted to Cabinet for their consideration and their response is available here:
<https://services.swale.gov.uk/meetings/documents/s8364/Housing%20Response%20SMT%20120917%20cabinet%20response%20to%20Scrutiny%20on%20Housing%20v3.pdf>

Development Management

- 3.14 This review was agreed by the Committee at the start of the previous Municipal Year and its purpose was to review the effectiveness of the Council's processes for deciding planning applications and all of the various elements that that entails.
- 3.15 A Task and Finish Group had been formed to take the review forward and so far its focus has been on the determination of planning applications, including delegation levels and the operation of the Planning Committee. The Task and Finish Group visited three other district councils in Kent to discuss these matters with Members and officers and to observe how their Planning Committees operate.
- 3.16 The Committee issued an interim report produced by the Task and Finish Group in order to link it to the agenda of the General Purposes Committee who were considering changes to the Council's Constitution, including officer delegations. The Committee's report on this aspect is available here:
<https://services.swale.gov.uk/meetings/documents/s10039/Interim%20TFG%20report%20on%20planning%20delegations%20-%20Revised%20after%20SC.pdf>
- 3.17 The report was subsequently submitted to Cabinet for consideration and their response is awaited.
- 3.18 Work on other aspects of the review will continue into 2018/19.

Planning enforcement

- 3.19 The Committee had expressed concern about the performance of the Council's planning enforcement function and had requested reports from the Cabinet Member for Planning and Head of Planning. The Committee held two separate sessions on this area during the course of the year and the record of those sessions are available here:

<https://services.swale.gov.uk/meetings/documents/g1873/Printed%20minutes%2030th-Aug-2017%2019.00%20Scrutiny%20Committee.pdf?T=1>

Regeneration review

- 3.20 The Committee has begun a review looking at the non-Sittingbourne Town Centre activity occurring in the Borough. The Committee has established a Task and Finish Group to undertake the review and it has met once to scope the information it requires in order to start its work. Following changes to Committee membership agreed at Annual Council, membership of the Group will need to be revisited at the start of 2018/19.

Waste

- 3.21 The Committee has long had concerns about the performance indicators relating to waste and recycling which it monitors on a quarterly basis through the Council's performance management system. Therefore the Cabinet Member for Environment and Rural Affairs and officers from the Council's Waste and Cleansing Team attended Committee towards the end of the year to explain the way they were encouraging residents to recycle more of their household waste. A record of this is available here:

<https://services.swale.gov.uk/meetings/documents/g1986/Printed%20minutes%2018th-Apr-2018%2019.00%20Scrutiny%20Committee.pdf?T=1>

Call-in

- 3.24 The Committee has the power to call-in Cabinet decisions which have been taken but not yet implemented and request that Cabinet reconsider their decision. There were no call-ins during 2017/18.
