1. Emergency Evacuation Procedure

The Chairman will advise the meeting of the evacuation procedures to follow in the event of an emergency. This is particularly important for visitors and members of the public who will be unfamiliar with the building and procedures.

The Chairman will inform the meeting whether there is a planned evacuation drill due to take place, what the alarm sounds like (i.e. ringing bells), where the closest emergency exit route is, and where the second closest emergency exit route is, in the event that the closest exit or route is blocked.

The Chairman will inform the meeting that:

(a) in the event of the alarm sounding, everybody must leave the building via the nearest safe available exit and gather at the Assembly points at the far side of the Car Park; and

(b) the lifts must not be used in the event of an evacuation.

Any officers present at the meeting will aid with the evacuation.

It is important that the Chairman is informed of any person attending who is disabled or unable to use the stairs, so that suitable arrangements may be made in the event of an emergency.

- 2. Apologies for Absence and Confirmation of Substitutes
- 3. Minutes

To approve the <u>Minutes</u> of the Meeting held on 2 October 2019 (Minute Nos. 262 - 270) as a correct record.

4. Declarations of Interest

Councillors should not act or take decisions in order to gain financial or other material benefits for themselves or their spouse, civil partner or person with whom they are living with as a spouse or civil partner. They must declare and resolve any interests and relationships.

The Chairman will ask Members if they have any interests to declare in respect of items on this agenda, under the following headings:

(a) Disclosable Pecuniary Interests (DPI) under the Localism Act 2011. The nature as well as the existence of any such interest must be declared. After declaring a DPI, the Member must leave the meeting and not take part in the discussion or vote. This applies even if there is provision for public speaking.

(b) Disclosable Non Pecuniary (DNPI) under the Code of Conduct adopted by the Council in May 2012. The nature as well as the existence of any such interest must be declared. After declaring a DNPI interest, the Member may stay, speak and vote on the matter.

(c) Where it is possible that a fair-minded and informed observer, having considered the facts would conclude that there was a real possibility that the Member might be predetermined or biased the Member should declare their predetermination or bias and then leave the room while that item is considered.

Advice to Members: If any Councillor has any doubt about the existence or nature of any DPI or DNPI which he/she may have in any item on this agenda, he/she should seek advice from the Monitoring Officer, the Head of Legal or from other Solicitors in Legal Services as early as possible, and in advance of the Meeting.

| Recommendations | 1. To note the proposed fees and charges 2020/21 as set out in this report for submission to Council. | | | | | |

1. Purpose of Report and Executive Summary

- 1.1 This report invites Scrutiny to consider the proposals for the level of fees and charges to be levied for the next financial year 2020/21.
- 1.2 All the charges included in this report under the Council's control will take effect from 1 April 2020.
- 1.3 Appendix I details proposals on a service-by-service basis for the level of fees to be charged in 2020/21 on those services where this Council sets the charges. Appendix II sets out the fees and charges which are set nationally by Government. Appendix III details the 2019/20 budget for fees and charges for services.
- 1.4 We need to ensure that for discretionary services, where there is a choice over whether the local resident does choose to buy the service, they pay a level which covers costs and is reasonable in comparison to neighbouring councils.

2. Background

- 2.1 In 2019/20 the fees and charges budget covered by this report where the Council sets the level of fees or charges was £3,844k (see Appendix III).
- 2.2 Managers and all service areas were asked to review the current schedule of fees and charges for the forthcoming financial year.
- 2.3 Authorities have a statutory duty to ensure fees are set in accordance with the Local Government Act 2003. This allows local authorities to charge for discretionary services. Discretionary services are those services that a council

has the power to, but is not obliged to, provide. A pre-condition to charging is the person has to agree to the provision of the service, and they are prepared to pay for it. Some charges depend on relevant consultation being carried out by the service concerned.

3. Proposals

3.1 Appendix I details the proposed fees and charges to be set by the Council for 2020/21 and Appendix II those that are set by Government.

4. Alternative Options

4.1 The alternative would be to propose a general flat rate increase or no increases in fees or charges. These alternatives are not recommended as they would fail to take into account statutory requirements, individual circumstances, or the increased cost of delivering services.

5. Consultation Undertaken or Proposed

- 5.1 Any necessary consultation will be undertaken by the managers of the relevant service area.
- 5.2 There will be specific consultation required on changes to hackney carriages charges.
- 5.3 Scrutiny Committee will be considering the proposals on 6 November 2019 before submission to Council on 13 November 2019.

| Issue | Implications |
|---------------------------------------|---|
| Corporate Plan | The income from fees and charges is a key component of the Council's budget and is key to supporting the Corporate Plan objectives. |
| Financial, Resource and Property | Work will continue on the detailed impact of the proposals. In proposing the new charges, consideration has been given to the likely impact on income levels given the anticipated response of service users to increases in charges. |
| Legal, Statutory and Procurement | All proposals for charges reflect the relevant legislation. |
| Crime and Disorder | None identified. |
| Environment and Sustainability | None identified. |
| Health and Wellbeing | None identified. |
| Risk Management and Health and Safety | None identified. |

6. Implications

| Issue | Implications |
|--------------------------------|--|
| Equality and Diversity | Where there are underlying policy issues to any proposed changes in charges, these will be supported by a service equality impact assessment, and any necessary mitigations undertaken. |
| Privacy and Data Collection | None identified |

7. Appendices

- 7.1 The following documents are to be published with this report and form part of the report:
 - Appendix I: Proposed fees and charges for 2020/21 set by the Council
 - Appendix II: Fees and charges set nationally by Government
 - Appendix III: Summary of fee income for 2019/20 budget

8. Background Papers

This is a discretionary service that we offer in line with most other authorities, there is little demand for the service but it is competitively priced to provide a service for residents who may wish to get independent confirmation of their property's fitness for immigration authorities. |
