Continued from previous page...

Dargate just out side Faversham , My self Dave Whiteoak and my business partners are in process of starting an events management company and looking to run events at Monks hill farm with Guy Botting and convert the plot into an event space and show ground.

Monks Hill Showground is a 60-acre, 8,000 capacity site positioned between Faversham and Whitstable in the heart of Kent. the event space will be available with basic facilities catered for, including the provision of potable water and basic electrical supply. The showground will be run by Video Illusions Ltd in partnership with the land owner, and boasts a farm shop, restaurant and up-coming glamping pods alongside, a wedding venue and beautiful lake with a country setting and 8 large fields of proposed events space with a huge amount of space for parking and off street entrance access for vehicles attending any event preventing any road blocks on busier events. We are looking to use the space for events such as classic car shows / folk festivals / horse shows / private events / drive in cinema / weddings / regulated live music events with stages , bar areas and chill out zones.

The bar areas will be contained in the event space in the bottom fields with SIA registered security and site safety managers on site at all times.

As discussed with Swale council at Swale house we have dedicated the larger event to be seasonal and will be held within the months of June / July and August

The rest of the year will be smaller more contained private events with lower capacity.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

TO PROMOTE ALL FOUR LICENSING OBJECTIVES WE WILL KEEP:

Strong management controls and effective training of all staff so that they are aware of the premises license and the requirements to meet the four licensing objectives with particular attention to:

1/ no selling of alcohol to underage people

2/ the prevention of crime and disorder

3/ no violent and anti-social behavior

4/ no harm to children

- Operating Schedule providing the hours of operation and licensable activities during those hours.

- Designated event supervisor confirmed it is obligated to be in day-to-day control of the premises, to provide good training for staff on the Licensing Act (Training Record), to make or authorise each sale

- Clear "Challenge 25" information to prevent the supply of alcohol to under-age drinkers.

- CCTV system installed across the site with recording option available

As a licensed premises we know that it is necessary to carry out our functions or operate the events with a purpose of promoting these objectives. We stand by our word and will support these objectives through their operating schedules and other measures

(including staff training and qualifications, policies, and strategic partnerships with other agencies).

b) The prevention of crime and disorder

Prevention of Crime and Disorder

Effective communication is established and maintained between Video Illusions Ltd, the External Event Producer and relevant local authorities to ensure a positive action program for combating crime and disorder is in place. All security

personnel operating will be SIA registered.

The Challenge 25/Think 25 proof of age scheme shall be operated on the event site at all times. All customers who appear under the age of 25 will be challenged to prove that they are over 18 when attempting to purchase alcohol. Acceptable forms of ID include a photo driving license, passport, or home office approved identity card bearing the holographic 'PASS' mark. If the person seeking alcohol is unable to produce an acceptable form of identification, no sale or supply of alcohol shall be made to or for that person.

All staff working on a bar or other outlet selling alcohol at the event shall be trained in the law about the sale of alcohol and must be over 18. Such training will include challenging every individual who appears to be under 25 years of age and to refuse service where individuals cannot produce acceptable means of identification, acceptable forms of ID and using the refusal log / register.

A refusals log / register will be kept at the premises, and made immediately available on request to the Police or an "authorised person". The log will record all refused sales of alcohol and include the following:

- the identity of the member of staff who refused the sale;
- the date and time of the refusal;
- the alcohol requested and reason for refusal;
- description of the person refused alcohol

c) Public safety

Public Safety

The safety of the public is the premises license holders number one priority. In addition, Video Illusions Ltd will liaise directly with individual Agencies should this be appropriate. The venue plans have, and event plans must, be developed to meet guidance under the Event Safety Guide (HSG 195) and Managing Crowds Safely (HSG154).

Internal and external lighting fixed to promote the public safety objective.

Well trained staff adherence to environmental health requirements.

Training and implementation of underage ID checks.

A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises license that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation.

All parts of the premises including all gate entrances, all fittings and apparatus therein, door hinges and notices, lighting, heating, electrical, air condition, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition.

d) The prevention of public nuisance

Prevention of public nuisance

It is Video Illusion Ltd's intention to cause minimal nuisance to local residents as a result of any event. However, the arrival of several thousand people onto a rural site does have the potential for disruption, in particular noise. Video Illusions Ltd will work with the council, venue and local residents to ensure appropriate noise control levels are put into place so as to minimise noise leakage and nuisance to neighbouring properties.

CCTV System installed to monitor entrances, exits, and other parts of the premises in order to address the prevention of crime objective.

A clear and legible notice outside the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted.

Clear and conspicuous notices warning of potential criminal activity, such as theft, that may target customers will be displayed.

Non selling of alcohol to drunk or intoxicated customers.

Custom will not be sought by means of personal solicitation outside or in the vicinity of the premises.

Prevention and vigilance in illegal drug use at the retail unit area.

Staff will be well trained in asking customers to use premises in an orderly and respectful manner

e) The protection of children from harm

"Challenge 25" sign which is a strategy that encourages anyone who is over 18 but looks under 25 to carry acceptable ID (a card bearing the PASS hologram, a photographic driving license or a passport) if they wish to buy alcohol. Well trained staff about requirement for persons' identification, age establishment etc.

Continued from previous page...

All the details provided in Training Record Book will be available in the site office at all times.

Log Book will be kept upon the premises all the time.

Policy on clearing glasses to minimise opportunities for children to access left-over alcohol

Have a clear policy for dealing with children on the premises, e.g. age, thresholds, supervision, expectations of adults, timings, etc

Staff should be easily identifiable (uniform or badge) and aware of safeguarding issues
