Subject: RE: Application for a variation of a Premises Licence granted under the Licensing Act 2003 - Queenborough Service Station, 265/269 Queenborough Road, Sheerness

Dear Chris

Forgive me if this is not in the correct format, I have talked to a selection of local residents at the local community centre in Queenborough, and the view to date is they are worried about 24hr access to alcohol. They believe there to be an increase in anti-social behaviour, especially revolving around cars (boy racers) in the area around Neat's Court and Queenborough, and if they have an unrestricted access to alcohol potentially they believe will exacerbate the situation.

Subject: Application for a variation of a Premises Licence granted under the Licensing Act 2003 - Queenborough Service Station, 265/269 Queenborough Road, Sheerness

Good afternoon dear Councillors

The licensing team have received an application for the variation of a Premises Licence granted under the Licensing Act 2003 in respect of the above premises.

The application is for:

1. Extension of hours for sale of alcohol to 24 hours daily
2. To make alterations to the premises
3. To include a condition "If there is only one member of staff on duty between 00:00 and 05:00, the entrance door to the shop will be closed to customers and any sales between these hours will be made through the night pay window"

The consultation will end on 17th July and I would be most grateful to receive any comments or representations that you may wish to make before that date.

Very best regards

Chris

Yours sincerely

Christina Hills
Licensing Officer
