

## Petition for Extension to Residents' Parking Scheme Park Road, Sittingbourne

Following receipt of a petition from residents of Park Road in Sittingbourne, the Swale Joint Transportation Board has requested a consultation with residents on proposals to extend the existing Sittingbourne Residents' Parking Scheme to include the top section of Park Road, between the junctions of Valenciennes Road and Ufton Lane.

The new restrictions would allow residents to buy a maximum of two permits per household, with each permit covering up to two vehicles, one at any one time. The proposed restrictions would match those in neighbouring areas of the existing Residents' Parking Scheme, and would operate from 8:00am to 6:00pm Monday to Saturday. The cost of the permits would be £45, and vehicles not displaying a permit would be entitled to park for a maximum of 2 hours during the Scheme times.

Although the petition only covered Park Road, as any extension to the current Scheme area could displace parked vehicles into adjoining roads, a separate consultation will take place with residents in the top end of Ufton Lane on similar proposals.

We would be most grateful to receive your views as to whether you would support or object to the proposals, so that this feedback can be reported to the Joint Transportation Board for further consideration. Please note that direct, individual responses will not be sent out in response to each questionnaire. At the end of the consultation a report on feedback will be compiled and this will be available on request.

Please complete the reply slip below and return to Swale Borough Council Leisure & Technical Services, Swale House, East Street, Sittingbourne, Kent ME10 3HT before **Friday 23<sup>rd</sup> August 2019**. ## Petition for Extension to Residents' Parking Scheme Park Road, Sittingbourne

Following receipt of a petition from residents of Park Road in Sittingbourne, the Swale Joint Transportation Board has requested a consultation with residents on proposals to extend the existing Sittingbourne Residents' Parking Scheme to include the top section of Park Road, between the junctions of Valenciennes Road and Ufton Lane. As the implementation of a Scheme in the top end of Park Road could potentially displace parked vehicles into adjoining roads, we are also undertaking a similar consultation in the top end of Ufton Lane, to see whether residents would wish to have their road included in the Scheme, should it be extended up Park Road.

The new restrictions would allow residents to buy a maximum of two permits per household, with each permit covering up to two vehicles, one at any one time. The proposed restrictions would match those in neighbouring areas of the existing Residents' Parking Scheme, and would operate from 8:00am to 6:00pm Monday to Saturday. The cost of the permits would be £45, and vehicles not displaying a permit would be entitled to park for a maximum of 2 hours during the Scheme times.
