Cabinet Advisory Committee 13 October 2021

Briefing Note

2022/23 Budget and Reserves

2022/23 Budget

- 1. A report on the 2022/23 Budget was considered by the Policy, Finance and Housing Cabinet Advisory Committee on 13 July and it was agreed that there would be the opportunity for the Committee to consider constructive ways to reduce spending.
- 2. In the last two years there have been very few spending reductions and in fact there has been significant growth, largely funded from one off monies. From the MTFP the current cost base is clearly not sustainable, but it is also questionable how viable services can still be provided if spending reductions are made.
- 3. The current Medium Term Financial Plan (MTFP) shows a gap of £3.3 million for 2022/23 which is already forecast to increase to £4.3 million in 2023/24. These figures exclude additional pressures in year e.g., covid pressures (loss of car parking income) and homelessness cost pressures.
- 4. Members are likely to have to take some challenging decisions to ensure the budget is balanced. To balance the 2022/23 and future budgets we feel the following options are open to us:
 - increase income;
 - spending reductions;
 - reviewing service provision for non statutory services;
 - reviewing level of service for statutory services; and,
 - careful use of reserves.
 - 5. Given this challenging budget gap, the approach to budget setting includes the following:
 - Heads of Service to identify savings of 5% on the 2021/22 staffing budget;
 - Heads of Service to look at the reserves to determine whether the entire reserve is still required;
 - Heads of Service look at all the fees and charges and work to ensure that
 we increase existing fees which would provide the maximum increase in
 the overall income to the Council whilst meeting Council policies;

- The recharges for shared services to be "capped" at the budget for 2021/22 even after including the effect of pay awards, inflation, etc at Maidstone or T Wells councils. This will be instead of asking for a 5% saving on staff costs.
- 6. Appendix I shows the 2021/22 budget per service and type of expenditure. Members are asked to review the budget as detailed in appendix I and to prioritise services or areas for increasing income/ reducing spending.
- 7. The budget and the fees and charges proposals for 2022/23 will be going to all three Cabinet Advisory Committees at the meetings in January 2022.

Reserves

- 8. As at 31 March 2021 the reserves were £25.5m. These reserves are predominantly earmarked for particular functions.
- 9. Reserves can be used to balance the budget but as this is the use of one-off money it still leaves an underlying issue. Nonetheless Government will expect reserves to be utilised and have been critical of the level of reserves held by Councils. Reserves will be an essential part of balancing the Swale budget.
- 10. The Council has taken the following action on its reserves:

Sheppey Improvement fund

- 11. Cabinet agreed on 16 December 2020 to allocate £250,000 of the £1.1m Malro capital receipt to a Sheerness Improvement Fund. The intention is to use this fund to support the following projects:
 - Sheerness War Memorial;
 - To connect the Sea Cadets facility, Barton's Point Concession, Toilet and Shower Block to Mains Drainage;
 - Installation of new toilet facility in Beachfields car park.
- 12. Because this is funded from a capital receipt, it means that the only projects that can be paid for from this Fund are those that are capital, i.e., we have bought, or built or enhanced a building, or other asset(s).

Business Rates Funds

The Council has three Reserves funded from Business Rates:

Business Rates Volatility

- 14. This is used to manage the volatility of business rate income and to fund the Special Projects Fund by £1m a year.
- 15. At 1 April 2021 the balance on this Fund was £2.8m but will reduce by £1m to top up the Special Projects Fund in 2021/22.

16. There are no restrictions on the use of this fund which can be used to support the General Fund.

Kent Pool Economic Development Business Rates

- 17. This fund is due to the Council being a member of the Kent Business Rates Pool which enables us to keep a greater share of business rate income.
- 18. It is to fund economic development as agreed by the Council and KCC. Therefore, it cannot be used for general use such as supporting the General Fund.
- 19. In 2019/20 it funded the new Town Centres/ High Street Fund by £800k, the new Heritage Strategy Fund by £250k, the new Visitor Economy Framework Fund by £215k and the new Sheppey Lower Road Improvement Fund by £250k and in 2020/21 it funded the new Improvement and Resilience Fund by £1m.
- 20. Cabinet agreed on 16/12/2020 that the balance on this reserve was to be retained for potential top ups and for new initiatives or pressures.
- 21. At 1 April 2021 the balance on this Fund was £1.1m.

North Kent Housing & Commercial Growth Business Rates

- 22. In 2018/19 Kent was selected to be a "Business Rates Pilot" by the Government which meant that we could keep a greater proportion of business rate income for that year.
- 23. Under the Kent Pilot agreement there was an allocation of funds called the "Housing & Commercial Growth Business Rates" among "clusters" of authorities with Swale in the "North Kent" cluster, where use of this fund would be agreed among Leaders and KCC for economic and housing development. Therefore, it cannot be used for general use such as supporting the General Fund.
- 24. Cabinet on 16/12/2020 agreed that this fund was to be used to fund the Swale Rainbow Local Housing Company, for set up costs and future investment, including possible investment in Sheppey.
- 25. At 1 April 2021 the balance on this Fund was £1.7m.

All Reserves

As part of the budget preparation process for 2022/23, all Heads of Service have been asked to review their reserves. Appendix II shows details of the Council's main reserves.

| | 1 | | | ı | | | |

| Reserve | £'000 | Description |
|---|--------|--|
| Business Rates Volatility | -2,827 | To assist the Council in managing the volatility of business rate income as a result of business rate localisation. |
| North Kent Housing & Commercial Growth Business Rates | -1,673 | Under the Kent Business Rates 2018/19 Pilot there was to be an allocation of funds called the Housing & Commercial Growth Business Rates which was allocated among "clusters" of authorities for each cluster to determine the final allocation. SBC is in the "North Kent" cluster. Cabinet on 16/12/2020 agreed that this fund was to be used to fund the Local Housing Company, for set up costs and future investment, including possible investment in Sheppey. Minute 350/12/2020. |
| Revenue and Benefits | -1,415 | Savings made in the Revenues and Benefits section, including unspent grants were transferred to this reserve. This is used to cover the shortfall in Government grant. |
| Preceptors Council Tax Support | -1,158 | Paid by KCC, Police and Fire to reflect the costs of Council Tax support localisation. |
| Kent Pool Economic Development Business Rates | -1,094 | This fund has been established as a result of the Council joining the Kent Business Rates Pool. It is to fund economic development as agreed by the Council and KCC. As agreed by Cabinet on 16/12/2020 the balance on this reserve is to be retained for potential top ups and for new initiatives or pressures. Minute 350/12/2020. |
| Special Project Fund | -1,055 | The Cabinet meeting 10 July 2019 proposal to set up a Special Projects Fund was agreed. The commitment is to allocate £1m per annum from accumulated business rate reserves to the funds. The fund is being used to deliver tangible projects for the residents of the borough making the public spaces cleaner and better presented. Minute 122/07/2019. |
| Improvement and Resilience Fund | -1,000 | The Cabinet meeting on 16 Dec 2020 agreed the transfer of £1m from the Kent Pool Economic Development Business Rates Fund to the "Improvement and Resilience Fund". Minute 350/12/2020. |
| Town Centres / High Streets Fund | -758 | The Cabinet meeting 16 December 2020 agreed that £800k of shared business rates will be now allocated to Town Centres. Minute 350/12/2020. |
| Building Maintenance | -563 | To meet items of backlog building maintenance as identified in the Council's medium-term maintenance plan as well as urgent or unexpected items. Each year the reserve is topped up by any underspend on the building maintenance revenue budget. |
| Repairs & Renewals | -455 | Regular contributions are made to this fund from the General Fund for a number of services to fund the future cost of significant items of expenditure. |
| Communities Fund | -411 | This is to support the Council's Localism Agenda. |
| STC Retail Park | -379 | This reserve is for the accounting adjustment between the value of income received and the value included in the accounts. |

| Reserve | £'000 | Description |
|--|-------|---|
| Parking | -279 | Any surplus from on-street parking is transferred to the ring fenced on-street parking account under Section 55 of the Road Traffic Act 1984. |
| Wheeled Bins | -279 | To fund the new wheeled bins purchases and replacements. |
| Performance | -271 | To improve overall performance. Officers can submit a bidding list of proposals. |
| Commuted Sums | -266 | To fund play area and open space maintenance in future years. |
| Stay Put Fund | -238 | To support the Council's Stay Put service which offers advice, support and help to the elderly and disabled, who are owner occupiers or private tenants and who need practical assistance to repair, adapt or improve their homes. |
| Heritage Strategy | -226 | The Cabinet meeting 18 December 2019 agreed to the transfer of £250,000 from the Kent Pool Economic Development Reserve to the Heritage Strategy. Minute 402/12/2019. |
| Visitor Economic Framework | -179 | The Cabinet meeting 7 Feb 2018 agreed that the Visitor Economy Framework 2018-2023 be adopted and that funding of £250,000 from the shared business rates pool with Kent County Council be used to contribute to the delivery of the framework. Minute 475/02/2018. |
