

### Motion – Planning Policy

Following the decision of the Policy and Resources Committee to postpone the Regulation 19 consultation and shelve the Local Plan Review on Wednesday 19th October 2022, combined with a number of recent appeal decisions issued by the Planning Inspectorate and commentary made within them, this council resolves to;

Rescind the decision taken by Full Council on 17th June 2020 to adopt an Interim Planning Policy for Park Home Residences and;  
Agrees it is no longer to be used as a material planning consideration.

Proposer: Councillor Cameron Beart
