

## Household Support Fund (HSF)

### Area Committees update for Swale.

Household Support Fund has provided vital Government funding to deliver critical services to the residents of Swale who are impacted by the current Cost of Living Crisis and energy prices. Over the four rounds (Oct 2021 – Jan 2024), we have developed support packages by working with local voluntary and community sector organisations (VCS) and have delivered support to the most vulnerable through a network of frontline delivery.

### Funding Allocations

Household Support Fund is a Department for Work & Pensions (DWP) provision which is funded to Kent County Council and then we receive local allocations dependant on a variety of measures including poverty levels.

- Round 1 (6<sup>th</sup> October 2021-31<sup>st</sup> March 2022) – £244,416.22
- Round 2 (1<sup>st</sup> April 2022-30<sup>th</sup> September 2022) – £558,940.00 (In-house voucher scheme delivered & pensioner payments)
- Round 3 (1<sup>st</sup> October 2022-31<sup>st</sup> March 2023) – £279,923.87
- Round 4 (1<sup>st</sup> April 2023-31<sup>st</sup> March 2024) – £505,445.00

### Current funding position

The current round of funding will end on 31<sup>st</sup> March 2024, and we have not received any updates from Government or Kent County Council that there will be a further round of funding, this will have significant impact on Swale residents, Swale Borough Council and Swales VCS.

### Delivery model

In rounds 1 & 2 (Oct 2021-Sep22) we developed a service offer that consisted of a combination of funding VCS partners and delivery of a voucher scheme by officers in-house. This formed the basis of the service offer that we have been delivering ever since by using the evidence from the first rounds to show resident need and how we could respond with the staff resources and funds available to us.

As the scheme developed, we stopped delivering in-house and moved to funding all services through Swale's VCS to bolster existing service provision and creating a new voucher scheme working in collaboration with Children & Families.

The VCS organisations delivering the scheme were able to increase their volumes of support and develop their existing service offers to respond to the immediate crisis. New and innovative support offers were developed through working with the VCS, of which as a Local Authority we were unable to deliver due to a lack of resources and delivery mechanisms.

The current delivery model consists of the following service offers being delivered Swales VCS:

Organisation	Service offer
Age UK (Faversham & Sittingbourne)	Hot meals & food shopping
Age UK (Sheppey)	Hot meals & food shopping
Children & Families	Emergency food parcels
Children & Families	£100 Mastercard (Billed fuel support)
Citizens Advice Swale	Fuel advice (and other advice services)

Diversity House	Emergency food parcels (Multicultural)
Fuel & Water Advice Service (Children & Families)	Fuel and energy advice (inc. fuel vouchers)
Swale Foodbank	Emergency food parcels
Swale Foodbank	White goods
West Faversham Community Association	Hot meals (children)

## Partnerships

The Fuel and Water Advisor service was created in 2019 through SBC Special Projects Fund after we declared a Climate and Ecological Emergency. The development of this contract included providing support to residents to tackle fuel and water poverty in the borough.

Children & Families delivered this successful project over a period of 3 years, and we were able to fund the extension of this much needed service through HSF until the end of March 2024. The District Councils Network are promoting this as a stand out service model and we are proud of the work this project has done to support many residents to improve the energy efficiency of their homes and access to emergency fuel support and advice. Due to the proven track record of this project and the continued need for a service of this kind, Children & Families have been successful in gaining a further year's funding through local energy provider schemes.

In addition, development of HSF in conjunction with the local VCS has allowed us to strengthen the relationship we have as an authority with the VCS and wider statutory partners. There is a collaborative voice through the Cost of Living Partnership Group and working closely with frontline partners helps us to get a true picture of the issues and experiences our residents are facing at this time as well as engaging local MPs within the group.

## Data

The following data has been collected over the lifespan of HSF and shows the numbers of households that the scheme has assisted.

Although the service delivery differs the data collection has remained the same for reporting. The number of households differs from the volume of support provided as we have provided multiple support to the same household in some instances.

<b>Round 1</b>							
<b>Time Period</b>	<b>Food Support</b> <i>(Vouchers, Food Parcels, Food Shopping, Hot Meals)</i>	<b>Energy and Water</b> <i>(fuel vouchers, essentials linked to energy/water ie. warm packs, hygrometers)</i>	<b>Wider Essentials</b> <i>(white goods)</i>	<b>Advice Services</b>	<b>Housing Costs</b> <i>(rent arrears)</i>	<b>Total Volume</b>	<b>Total Households</b>

1 year Apr23-Mar24							
<b>01/04/23-31/12/23</b>	<b>15,055</b>	<b>1149</b>	<b>76</b>	<b>338</b>	<b>3</b>	<b>16,621</b>	<b>15,960</b>
<b>Overall Total</b>	<b>23,631</b>	<b>7599</b>	<b>367</b>	<b>338</b>	<b>7</b>	<b>31,942</b>	<b>24,277</b>

The fund has provided **2,710** £100 digital Mastercard's to households to enable them to decrease their fuel bills or support their families with fuel or food supplies.

The fund has provided **11,614** emergency food parcels to households who would have otherwise gone without essential food supplies.

Through the Fuel & Water Advisor service **4444** households have been provided with essentials to reduce fuel consumption such as, as water hippos, radiator reflector panels, draft excluders, and hygrometers to help reduce damp. As well as advice on energy/water bills and fuel vouchers for those on pre-paid meters.

In exceptional circumstances the fund has contributed to rent arrears for families who are not entitled to any other form of additional funding support, and they have shown that they are valid cases to receive the support to avoid homelessness or transition from temporary accommodation.

### **Voluntary and Community Sector impact**

Through the development of HSF, we have been able to improve and build on the relationship that we have with Swales VCS. Covid significantly impacted the sector as they saw increasing numbers of residents turning to them for support because of the pandemic. In addition, the impact of the fuel crisis as well as the Cost-of-Living crisis have all played a part in putting incredible strain on their services.

We acknowledge that residents trust the VCS in Swale and are turning to them more and more and so collectively we agreed to design a scheme that would benefit residents first and foremost but also allow the VCS to tackle some of the issues they are facing and reduce pressure to our own frontline services. Without HSF these organisations will without doubt no longer be able to deliver the level of service offer they have been, and many residents will start to feel the effects of a reduced service.

We have spoken to the core delivery partners from Swales VCS and captured their comments and feedback regarding HSF funding ceasing post March 2024 – see attached **Appendix I**.

### **Implications of the fund ending post March 2024**

For Swale residents

- Reduction in availability of emergency support ie. food parcels, fuel vouchers
- Increased wait times to access services
- Increase in mental health issues due to worry of not being able to access support
- Some services that are currently funded by HSF will become chargeable to residents who are unable to afford the costs ie. Age UK hot meals

For Swale Borough Council

- Increase of Safeguarding cases
- Increase in contacts to Housing and Homelessness services
- Increase in non payment of Council Tax
- Increase on pressure on SBC to find alternative support options

For the Voluntary & Community Sector in Swale

- Possible centre closures due to lack of funding
- Organisations unable to meet the demand and therefore having to turn people away or redirect them back to SBC
- Organisations needing to charge for services that are currently available through HSF
- Increased stress and pressures to small organisations without the capability to cope
