Martyn Cassell, Swale BC Head of Environment & Leisure	5. Application Procedure	Could a paragraph be added within the main body of the policy, rather than in the conditions, to state that applicants should ensure that they make all efforts to ensure that any waste generated by the sale of food is disposed of properly, not just in the area of trading but in the wider locality	Agreed. Additional paragraph inserted as point 5.5.6 which states "Applicants will be expected to demonstrate how, as far possible, they will ensure that waste and rubbish generated from their customers is disposed of responsibly, not only at the area of trading but in the wider locality. This can be by ensuring an adequate number of waste bins are provided and by signage to ask individuals to consider the environment and behave responsibly.
