Subject: 1 Gatefield Lane OBJECTION

I have noted the notice in the window of 1 Gatefield Lane requesting the granting of a licence to sell alcohol. I live at 1 Gatefield Lane Faversham and strongly object to this. The premises is totally unsuitable for this purpose. Gatefield Lane is a very small and quite pedestrian only lane, the granting of this licence for a Jaz club playing music and selling alcohol is totally out of keeping to this lane. it would lead to noise and increased traffic in the lane each evening with music playing and people milling about and smoking outside. I believe that this would also impact on the value of my property should this licence be granted. There are plentiful places in the main high street area for this type of club.
