**Cabinet Response to the Scrutiny Committee Recommendations
Fees and Charges – December 2015**

Scrutiny Recommendations	Cabinet Response	Cabinet Member	Lead Officer
<p>That the fee structure for car park and season tickets for Cockleshell Walk, Sittingbourne and Trinity Road, Sheerness, be brought in line with the other long stay car parks.</p>	<p>The differential was created to attract some longer term parkers (e.g. commuters) to use the car parks slightly further from the town centre which leaves more spaces in the other car parks for town centre users. This is no longer relevant in Trinity Road Sheerness, but it is considered appropriate to retain the differential in Cockleshell Walk, Sittingbourne.</p>	<p>Cabinet Member for Environmental and Rural Affairs</p>	<p>Dave Thomas</p>
